Subject: Notice of Intent to Adopt the Root Creek Water District Groundwater Sustainability Plan

The Root Creek Water District Groundwater Sustainability Agency (“RCWD GSA”) hereby provides notice to the County of Madera and City of Madera of the RCWD GSA’s intent to adopt the Root Creek Water District Groundwater Sustainability Plan (“GSP”) no earlier than 90-days upon your receipt of this notice. Considerations to adopt this document shall occur as part of a public hearing of the RCWD GSA on November 11, 2019. Once adopted, the RCWD GSA’s GSP will govern sustainable groundwater management actions within the RCWD GSA’s jurisdictional boundaries located in the Madera Subbasin (Groundwater Basin No. 5-22.07). California Water Code (CWC) Section 10728.4, pursuant to passage of the Sustainable Groundwater Management Act of 2014, obligates distribution of this notice to any city or county whose jurisdictional area is within the area of the proposed GSP. The RCWD GSA is going above and beyond this requirement to provide you with this notice.

Cities or counties that receive this notice may request to consult on the RCWD GSA’s GSP. These requests must be received within 30 calendar days upon receipt of this notice. Written requests to consult with the RCWD GSA intending to adopt the RCWD GSA’s GSP shall be delivered to:
